

Dive The Dry Tortugas Aboard The Ultimate Getaway

April 1- April 4

Chartered diving to the Dry Tortugas, Florida's most remote diving destination, aboard the Ultimate Getaway. Dive schedules are customized to the individuals on board. From photography to lobstering to technical diving. You'll dive and find out more about such exciting stops as the wreck of the "Baja California". You're sure to enjoy days and nights full of pristine diving.

Plan on 7-10 dives a day. For your safety, nitrox fills are available on board from a membrane system. You can pick and choose which sites you would like to dive! Most dive sites average between 40-80 ft and we customize to your abilities. Meals will be worked into your schedule and snacks are provided throughout the day.

The air condition vessel is a 100' Super Cruiser that comfortably sleeps 20 passengers in individuals bunks. The boat is equipped with 5 fresh hot water showers and 4 restrooms. There is a spacious interior lounge and ample room for lounging and sun with a huge bimini awning providing shade when desired.

The crew members will assist you in all your endeavors as well as provide for your safety and comfort. All lobsters caught will be professional handled and iced. You may also have our culinary specialist prepare your catch on board!

For what you need to bring

Trip Itinerary: 3 Dive days

You trip will start with you arriving
sometime between 5:00pm-6:30 pm.

We will give you a boat briefing, and
leave the dock around 7:00pm. You
will have a 12 hour cruise to dream of
the diving you will be doing in the re-
mote, pristine waters of “The Dry Tor-
tugas”.

Day 1:

Arrive at 7:00am on you first dive
site, breakfast will be served (before
or after your dive, your choice) Then
we will continue to move to different
dive site throughout the day. (Plan on
5-8 per day). You can pick and choose
which sites you’d like to dive! Most
dive sites average between 40-80 ft,
we can customize to your abilities.

Lunch and dinner will be worked into
your schedule.

Day 2:

Will consist of the same type of
schedule. A visit to ”Fort Jefferson
National Monument” can also be
worked into your itinerary.

Day 3:

You will wake up anchored to the
“Baja California World War II trans-
port ship built in 1914. The 266 ft
steamship was carrying a general
cargo that included tobacco when tor-
pedoed just forward of amidships by
the German submarine U-84 on July
19, 1942. The main wreckage now sits
in 115 ft of water off Naples.

Your next dive will be on a Air
Force relay tower (a trip favorite!
Then we will be heading home arriv-
ing between 4:00 –5:00pm
